

The Gospel Centered Life – Part 1

(I Corinthians 15:1-4)

2.

“The gospel is not only the most important message in all of history; it is the only essential message in all of history. Yet we allow thousands of professing Christians to live their entire lives without clearly understanding it and experiencing the joy of living it.”

(Jerry Bridges)

“We discover the power to defeat sin and sadness, conflict and bitterness, and self-pity and self contempt, not by walking beyond the gospel that first brought us into the favor and family of God but rather by moving more deeply into that same gospel.”

(Dennis E. Johnson)
